D. O. No. 1693 LB(49-M)-29 MYSORE ECONOMIC JOURNAL,

Bangalore, 25th May, 1915

Dear Sir,

I am much obliged to you for sending the reports of the cattle shows held at Hassan and Ramanathapur, for publication in the "Mysore Economic Journal." An abstract of the show held at Hassan has already been published in our February issue, (p. 77) and I do not think there is anything more, in the present report, deserving of further publication. The other report relating to the show held at Ramanathapur on the 24th and 25th November 1914, is very stale and I do not think that any useful purpose would be served by publishing it now. In connection with these shows etc., may I know if it would be possible to arrange with the organisers to send us reports as soon as possible after the functions are over, either directly to this office or through the regular official channel, so that reports of shows held during a certain month may appear as far as possible in the issue

of the same month. This would not only facilitate our work here but also furnish the "Journal" with the latest information available on these matters of current interest.

I shall be glad to have the photographs referred to in the reports under reference, for their re-production, if possible. in the next issue of the "Journal."

Yours faithfully,

C Jagannadha Rao
